

# REFLECT

on what worked and next steps

## What's next...

What other materials and activities could be offered to build on this experience?

Progression and regression of the strategy?

What other strategies, whether from the same or from a different TRAIL, would complement or build on this experience?

Who else could you talk to about improving this strategy or trying out some other strategies?

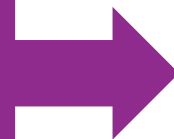

## Refine or move on?

### Refine

Can you use this information to improve on this experience for you and the children?

### Move on

Where to and why?

# REFLECT

on what worked and next steps

## What worked **WELL**?

My Provision
